STORM FORCE

An Emergency Notification System
Brought to you by the
Connecticut Weather Center Inc.

OBJECTIVE:

- STORM FORCE has the ability to disseminate critical and accurate information notifying appropriate personnel of a severe weather emergency in their area prior to its arrival. STORM FORCE allows the subscriber to trim the slow methods of technology such as phone calls, emails and faxes, speeding up the transmission of information to cell phone texting and saving lives.

HOW IT WORKS:

- STORM FORCE is easy to use. You simply register your cell phone number, choose the county or counties in Connecticut that are integral to you, and then choose the town or towns of your location or that your department may be responsible for.

BENEFITS:

- STORM FORCE IS:
 - Power Outage Proof
 - Mobil
 - Instant
 - Informative
 - Brief but focused only on crucial information designed by you
 - Life Saving
